## Freelance Graphic + Web design

### White Lotus Design

www.whitelotusdesign.com  
**HTML/CSS coding (contractor)**  
Built HTML & CSS frameworks and templates for a variety of web sites from existing design comps.  
www.gypsydancerestates.com www.paulclerc.com/hss-cpas  
www.johnhildahlfurniture.com www.westernbaccoprevention.org

### Honey Moon Massage

www.honeymoonmassage.com  
**identity, graphic design and site development**  
Designed and produced a identity/promotional site for a massage studio catering to wedding events. Also designed and developed logo, business cards and promotional postcards.

### JE Dunn

internal company site  
**graphic and web design**  
Designed and coded HTML to place this nation-wide construction company's internal documentation online. The final application will be built with JSP and allow easy updating of the company's documents.

### Bonnie Kahn's Wild West Gallery

www.bonniekahngallery.com  
**print promotional materials, web site redesign**  
Designed a number of "First Thursday" promotional mailings and ads for this NW Portland gallery specializing in Native and Western art. Updated logo and existing front-end of web site.

### Enpria

www.enpria.com  
**web and print design**  
Updated content and design of web site to better reflect this Portland/Seattle IT consulting firm's business focus. Designed a series of printed collateral to accompany the changes.

### Nob Hill Business Association

www.nobhillbiz.com  
**graphic design, photography, coding**  
Worked with a team to produce this Java-driven portal site for NW Portland's chic shopping & dining district. Designed for both visitors and area businesses with the goal of improving the local business community.

## Full-Time Experience

### AAA Oregon/Idaho, Graphic Designer. Portland, OR. August 2004–present.

- Conceived and designed print advertising for VIA magazine, area newspapers, mailing inserts, and posters.
- Redesigned and coded marketing newsletters for members & travel enthusiasts.

### FundQuest Analyst. Boston, MA. January 2001–August 2002.

- Developed client proposal system and analytic materials (for print and electronic delivery using a range of software) to launch the firm's new web-delivered Managed Accounts product.
- Designed institutional client investment strategy books that raised roughly \$200MM in new assets and helped attract several new institutional clients to the program.
- Consulted with financial advisors to explain investment recommendations for high net worth clients.

### NVest Advisor Services (IXIS Asset Mgmt.), Webmaster/Technical Analyst. Boston, MA. November 1999–December 2000.

- Managed web application to deliver analytic reports to clients and prospects; streamlined back-end analysis with reporting process to greatly increase volume of fulfillments and sales.
- Designed and developed to produce marketing materials including Flash-based demos and CD direct mail
